Any person wanting to keep chickens within the Village shall first apply for and obtain a permit from the Village Manager or his/her designee, before that person may legally keep chickens within the Village. Regulations pertaining to permits shall be as follows:

- (1) Any person applying for a permit to keep chickens within the Village shall submit a permit application on a form promulgated by the Village Manager or his/her designee, and shall pay an application fee established by resolution of the Village Commission.

- (3) If the Village Manager or his/her designee grants the request for the permit, he/she shall do so in writing, which writing shall state the property address at which chickens may be kept, as well as the number of chickens allowed to be kept, and any other conditions of the permit to keep chickens.

However, no permit issued pursuant to this ordinance shall remain valid past the date on which this ordinance either expires or is repealed, whichever is earlier.
