VILLAGE OF SPARTA
Kent County, Michigan
Village Council Meeting
Monday, November 23, 2026 at 6:30 PM
276 W. Division St. (Sparta Village Complex)

1. **Call to Order**

2. **Pledge of Allegiance**

3. **Roll Call**

4. **Additions or Corrections to Consent and Business Agenda**
   Consent Agenda:
   - **a.** *Approve Regular Village Council Meeting Minutes of October 19, 2026*
   - **b.** *Approve DDA Meeting Minutes of October 20, 2026*

5. **Approval of Consent and Business Agenda**

6. **Public Comment for Agenda Item**
   Please Note: This Public Comment portion of the meeting is reserved for comment on agenda items. Personal or abusive attacks on Council members, staff members, or other participants will not be tolerated and may result in the Village President taking action, up to and including, having the speaker removed from the meeting by law enforcement officers.

7. **Public Hearing**
   - **a.** None.

8. **Old Business**
   - **a.** None.

9. **New Business**
   - **a.** None.

10. **Executive Session**
    - **a.** None.

11. **Village Manager & Department Reports**

12. **Communications**

13. Payment of Bills

October Payables

PAYABLES	
(101) General Fund	$193,554.01
(202) Major Street Fund	$36,992.23

VILLAGE OF SPARTA
Kent County, Michigan
Village Council Meeting
Monday, October 19, 2026 at 6:30 PM
276 W. Division St. (Sparta Village Complex)

Present:
President Robert Whalen, Council Members Brenda Braybrook, Robert Carlstrom, David Cumings, Christina Owens, Tom Peoples, Bill Taylor

Absent:

Also Present:
Village Manager James Lower, Chief Andrew Milanowski, Airport Manager Mike Krzciok, DPW Director Bill Hunter, Deputy DPW Director Conrad Bowman, Village Clerk Kristen Phelps

1. **Call to Order**
   - **a.** The meeting was called to order at 6:30 by President Whalen

2. **Pledge of Allegiance**
   - **a.** The Pledge was recited.

3. **Roll Call**
   - **a.** Formal Roll call was taken. See above for attendance

4. **Additions or Corrections to Consent and Business Agenda**
   Consent Agenda:
   - **a.** *Approve Regular Village Council Meeting Minutes of September 19, 2026*

5. **Approval of Consent and Business Agenda**
   - **a.** The Consent and Business Agenda was approved as presented.
     i. Motion: Braybrook moved to approve the agenda with support from Carlstrom. **Motion passed unanimously.**

6. **Public Comment for Agenda Item**
   Please Note: This Public Comment portion of the meeting is reserved for comment on agenda items. Personal or abusive attacks on Council members, staff members, or other participants will not be tolerated and may result in the Village President taking action, up to and including, having the speaker removed from the meeting by law enforcement officers.

7. **Public Hearing**
   - **a.** None.

8. **Old Business**
   - **a.** None.

9. **New Business**
   - **a.** Waste Water Treatment Plant Project Update
   - **b.** 2027 CIP Presentation

10. **Executive Session**
    a. None.

11. **Village Manager & Department Reports**
    a. Comments received from Manager and Departments

12. **Communications**
    a. None

13. **Payment of Bills**
    a. Motion: Cumings moved to approve the payables as presented, with support from Braybrook. **Motion passed 7-0**

September Payables

PAYABLES	
(101) General Fund	$119,102.19

16. **Adjournment**
    a. Adjournment at 7:17 pm by President Whalen.

Sparta Downtown Development Authority
MEETING MINUTES
OCTOBER 20, 2026
SPARTA MUNICIPAL COMPLEX

Meeting called to order at 7:49 am by Cheslek
Members present:, Cheslek, Potes, Lamb, Whalen, Shangle, Benham, Baker, Freeland, Driscoll
Members Excused: Stoner, Scarffe, Gray
Members Absent: None

Also Present: Elizabeth Morse, DDA Director; Jim Lower, Village Manager,

Motion to accept the DDA meeting minutes of August 18, 2026 by Potes, second by Freeland. All approved.

Approval of DDA Finance Report. Motion by Lam, second by Baker. All approved.
Request from DDA for a schedule of debt payments owed with future finance reports.

Public Comment – None

Unfinished Business - None

1) None.

New Business

1) Motion by Freeland, second by Shangle to spend $3500 from marketing line item to support Shop Sparta event. All approved.
2) Motion by Whalen, second by Lamb to spend up to $1800 for supplies for the ice skating rink. All Approved.

Executive Session None.

DDA Business Director Report (attached)

A. Discussion of timeline update for DDA TIF/Redevelopment Plan approval process to request public hearing in January.

Village Manager Report Provided in person.

Public Comment - None.

Adjourned by executive privilege at 8:27 am.

Minutes of the Sparta Area Fire Authority Meeting
October 22, 2026

Present: Goodfellow (twp), Chief Olney, Johnson (village), Peoples (village), Cumings (village), Anderson (twp), and Bergman (twp). Deputy Chief Wood
Absent: none

Bergman called the meeting to order @7:00 pm.

Approval of the Agenda
Motion: Johnson to approve the agenda.
Second: Goodfellow
Motion Passed: 6-0

Public Comment: None

Approval of the Meeting Minutes September 17, 2026:
Motion: Made Johnson approve September 17, 2026, minutes.
Second: Peoples
Motion Passed: 6-0

Finance Board Update:
Cumings stated that the finance board had met twice since the last board meeting. They reviewed and approved all department invoices for $193,084. The expenditure includes $15,551 for platform repair, $69, 370 for the final payment for Engine #3, and $80,193 for contract payment on the addition of the station. The operational Budget is currently at 52% for the first 7 months of the year. The contract payment was all approved by Andrus Architecture, Chief Olney and the USDA.

Approval of the bills:
Motion: Anderson to approve bills through October 20, 2026.
Second: Cumings
Motion Passed: 6-0

Old Business:
Station Update: (Preliminary Schedule attached)
The construction project is ongoing. Footing and concrete walls have been poured, inspected and approved. The old station house and garage will be removed next week. Plumbing for the new office has been installed. The Chief stated that he has approved 3 change orders for the station addition. Kortman Masonry, Steel Systems Inc and JZ Electric.

Chief's Report:
There were 77 calls last period and 851 calls YTD. (see attached) There were 2 fire related fire calls. There were several accidents for the month with minor injuries. Several hazardous conditions accounted for 3 reports.
The Chief reported that he has 3 fire fighters that are not able to work because of medical issues. The Chief informed the board that due to the lack of personnel, the Chief asked the board if he could schedule himself for coverage and med call when others are not available. It was the consensus of the board to allow the Chief to fill in as needed.

Proposed Budget: The Chief presented to the board his recommendations for the 2027-2028 budget and a Capital Improvement plan for the next 3-5 years.
The Chief stated that being construction of the new station will still ongoing, the station house has been removed, he expects to under run this year's budget he's requesting the same "operational budget" as the past serval years. He expects the legal cost to be a lot lower next year, with no gas, water or electric in the old house, but with a lot of unknowns when the new building is completed.
Motion: Goodfellow to approve the 27-28 budget
Second: Peoples
Motion Passed: 6-0

Public Comment: None
Next Meeting Date: November 19th at 7:00 PM at the fire station.
Next Finance Meeting Dates: November 3rd , 2026, and November 17th, 2026, at 4:00 PM at the fire station.

Adjournment:
Motion: Johnson to adjourn at 7:35 PM.
Second: Cumings
Motion Passed: 6-0 Minutes by Goodfellow 10-23-26.

• Vork Brothers- Block Fill and Paint	2/15 thru 2/26
• LG2- Metal Lockers	3/1 thru 3/5
• Nugent – Cabinetry	3/1 thru 3/5
• Philo, Lukaart, JZ – All MEP Finishes	3/1 thru 3/5
• Final Inspections and Punch List	3/8 thru 3/12
• Final Clean	3/15 thru 3/19

Sparta Municipal Airport
Monthly Report – October 2026

To: Sparta Village Council
From: Michael Krzciok, Airport Manager
Date: November18, 2026
Re: Sparta Municipal Airport – October 2026 Monthly Report

Summary

October was an exceptional month at Paul C. Miller–Sparta Municipal Airport, highlighted by record-breaking fuel sales and continued progress on airport improvement projects. Beautiful fall weather provided excellent flying conditions throughout much of the month, contributing to increased aviation activity and the airport's first-ever month exceeding 10,000 gallons in combined fuel sales.

Construction began on the new northeast taxi lane, while private hangar development continued to move forward. Planning for future airport improvements and preparations for the upcoming winter season also remained priorities.

Fuel Sales

October was a record-setting month for fuel sales at Sparta Airport. Thanks in large part to the beautiful fall weather and increased flying activity, the airport recorded **10,746 gallons in total fuel sales**, marking the first time in airport history that monthly sales have exceeded 10,000 gallons.

Of that total, Avgas and Mogas accounted for 8,523 gallons, while Jet A contributed an additional 2,223 gallons.

Year-to-date fuel sales through October reached **72,124 gallons**, consisting of 59,761 gallons of Avgas and Mogas and 12,363 gallons of Jet A.

This puts the airport ahead of its entire 2025 annual fuel sales total, with November and December still remaining. The addition of Jet A fuel earlier this year has proven to be a valuable asset, helping increase overall fuel sales and supporting the airport's continued financial self-sufficiency.

These milestones are particularly encouraging and reflect the continued growth and activity at Sparta Airport.

Month	Year	Transactions	Gallons Avgas & Mogas	Gallons Jet Fuel	TOTAL
October	**2026**	385	8523	2223	10,746
October	**2025**	432	8637	N/A	8637
October	**2024**	356	7558	N/A	7558
October	**2023**	276	5450	N/A	5450
October	**2022**	355	6924	N/A	6924

Hangar Development

Construction of Sparta Aviation's new 100-foot by 120-foot hangar continued to make excellent progress during October. Insulation and interior siding work was completed, and the hydraulically operated hangar doors were installed and are now operational. Interior work continues, including electrical and heating system installations. Once completed, the new hangar will support the flight school's continued growth and is expected to free up additional T-hangar space as aircraft are relocated.

Planning and coordination also continued for the private-public T-hangar development scheduled for 2027. Excavation is expected to begin in early November, following completion of the new east taxi lane. This development will help address the airport's ongoing demand for additional aircraft storage and support future growth.

Capital Projects Update

Construction began October 19 on the new northeast taxi lane project. This improvement will provide access to additional hangar development and support continued growth in that area of the airport.

Work included coordination of temporary taxi lane closures and drainage improvements. Airport operations were maintained throughout construction with appropriate access restrictions and coordination with airport users.

The Taxiway Connector Improvement Project, completed in September, continued to provide improved runway access and more efficient aircraft ground movements.

Airport Events

The fall color helicopter tours returned to Sparta Airport throughout October and were once again a great success. Beautiful fall weather provided excellent conditions for the tours, with many happy customers enjoying a unique aerial view of West Michigan's fall colors.

These tours continue to be a popular seasonal attraction, bringing visitors and additional activity to the airport while supporting fuel sales and providing a positive connection between the airport and the surrounding community.

Airport Operations and Winter Preparations

October included routine airfield maintenance, coordination of ongoing construction activities, and preparations for the upcoming winter season.

Airport staff continued working with contractors and airport tenants to minimize disruptions during construction and maintain safe aircraft operations.

Looking Ahead

As the airport approaches the final two months of 2026, priorities will include completing ongoing taxi lane improvements, monitoring hangar construction, preparing for winter operations, and continuing to plan for future airport development.

With record-setting fuel sales and continued investment in airport infrastructure, Sparta Airport remains well-positioned for continued growth and financial sustainability.

East Taxilane Construction

Volunteers

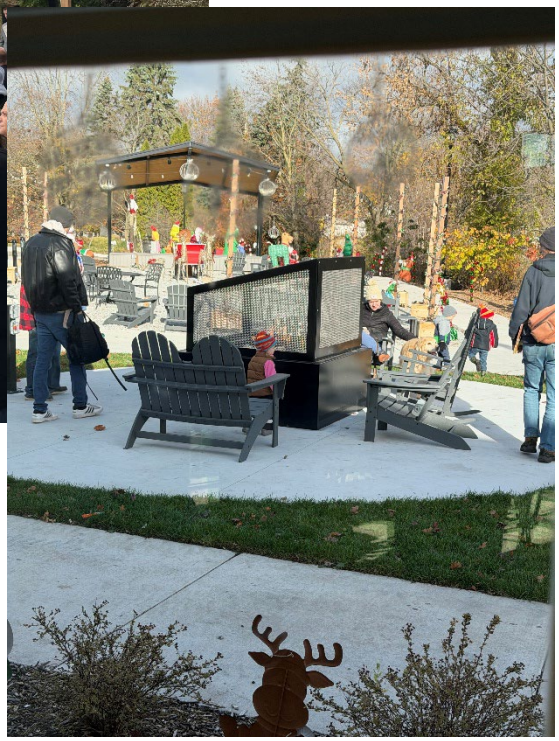

Our Sparta volunteers are coming through BIG TIME as we get ready for Christmas! It's amazing to see so many people willing to give their time and energy to make our community shine this holiday season. Our new **Sparta TODAY texting platform** has been a fantastic tool for connecting with volunteers, and getting extra helping hands when we need them most! This is what makes our community so special!

Homecoming was a hit utilizing the new Town Square stage with hundreds of people standing to see who was crowned King after the parade that led directly into Balyeat Field. Our sound system could be upgraded, to reach all the people on site, but otherwise it was a perfect night!

Enjoying the fire place on a cool November stroll!

Chamber Monthly Coffee Networking

Each month the Chamber hosts a monthly coffee on the third Thursday of the month and the turn out has been growing and growing!

Education Conference

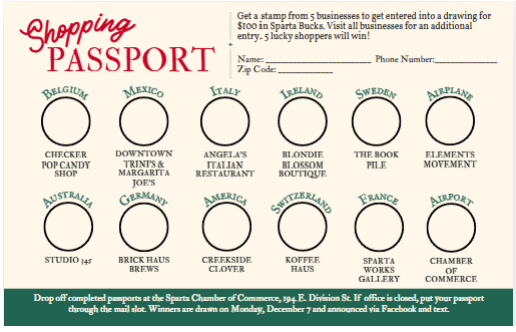

Some of the Sparta TODAY staff and board members attended the Michigan Festivals and Events Conference to gather new ideas and make our current footprint of events more efficient.

Ice Skating plans are set with opening day to coincide with Nov. 20, Shop Sparta! This week there will be a few Soft Opening Dates to get everything set. Shop Sparta is looking to have great weather, we hope to have a good turn out with lots of shopping local as the main event!

Sip & Shop Events

We've energized our Sip & Shop events to focus on spending and visiting downtown during the fall/winter holiday shopping season. Some with great success and some hit and miss. As we continue to hone in on what clicks. We are launching our 3rd sip and shop series, which will be Around the World in Sparta on Dec. 3-5, featuring a Passport type event, getting stamps at participating

businesses!

DDA Directors Report October 20, 2026

1. Michigan Apple Fest started out with record attendance and numbers on Friday but had basically a rain out date on Saturday unfortunately! Even with the rain out, the event had good feedback and continued growth.

2. Fall is the time we prepare for Sponsorship 2027 by reevaluating the 2026 bulk of the year and making shifts to what should happen toward the 2027 year based on the feedback we receive from sponsors, attendees, businesses, and partners. Sponsorship requests will begin November 1 for the 2027 year. Overall, we aren't prepping too many changes, although we have had requests to add two to three additional road closures to the program: Cinco de Mayo downtown Fiesta (a downtown wide event including all businesses) a Pink Dress Social (date is evaluating June 5) for a Saturday daytime only closure, and potentially move the Buck Pole to the street. The Events board discussed options to make the road closures and festival/events more efficient and is coming up with a plan to present some options forward. Additionally, clarifying which dates would be the Full downtown closure (Elm to State) vs the partial downtown closure (Elm to Union) based on space needs. As the Events board and committees are finishing their end-of-year planning, the groups will reconnect with the DDA and the Village on the recommendations and the requests to move forward. Dates for 2027 are drafted as follows:

Jan - Feb	Winter Weekends
May 19 - 22	Town & Country Days
June 2 - 30	Concerts in the Park
June 18 - 19	Beer & Brat Street Fest
Aug 13 - 14	Sparta Celtic Fest
Sept 17 - 18	Michigan Apple Fest
Oct 8	Homecoming Parade
Oct 23	Scare on the Square
Nov 19	Shop Sparta & Stroll of Lights
Dec	Santa Visits

3. We have spent quite a bit of time working on the 2027 budget and a longer-term budget forecasting major growth from our

ACTION MEMO
Staff Communication

DATE: November 23, 2026
TO: Village President Whalen and Members of Council
FROM: William Hunter, Director of Public Works
RE: DPW Monthly Update

Staff Work Activity Summary

During the October 14 through November 17 reporting period, Department of Public Works staff logged 1,543 hours and 48 minutes of operational work to maintain and improve Village infrastructure. Staff time is summarized below by major operational area. Vacation, sick, personal, and holiday leave are not included in these totals.

Operational Area	Person-hours
Sewer System Operations	371 hrs. 19 min.
Water System Operations	281 hrs. 24 min.
Parks & Public Spaces	172 hrs. 06 min.
Streets, Stormwater & Traffic Maintenance	296 hrs. 32 min.
Administration, Planning & Special Events	221 hrs. 24 min.
Downtown (DDA) Maintenance	118 hrs. 02 min.
Equipment & Fleet Maintenance	83 hrs. 01 min.
Total	1,543 hrs. 48 min.

These work accounts represent routine maintenance, utility operations, regulatory compliance, infrastructure improvements, special event support, and administrative responsibilities performed by DPW staff throughout the reporting period.

Water System Operations & Regulatory Compliance

The Water Department continued routine treatment, monitoring, distribution system maintenance, regulatory sampling, and compliance activities throughout the reporting period.

Water Treatment Plant Operations - October MOR

The October Monthly Operating Report (MOR) was completed for the Village of Sparta Water System in accordance with Act 399 requirements.

Water Production

- Total Finished Water Produced: 13.111 million gallons
- Average Daily Production: 0.423 million gallons per day
- Maximum Daily Production: 0.604 million gallons per day
- Raw Water Pumped: 13.000 million gallons

October finished-water production was 3.152 million gallons, or approximately 19.4 percent, lower than September production.

Chemical Usage

- Pre-Chlorine Used: 188.8 pounds
- Post-Chlorine Used: 127.0 pounds
- Hydrofluorosilicic Acid Used: 260.0 pounds
- Salt Used for Water Softening: 21,780 pounds

Treatment Performance

Average October treatment values included:

- Finished Water Production: 0.423 MGD
- Plant Tap Free Chlorine: 0.9 mg/L
- Plant Tap Total Chlorine: 1.4 mg/L
- Plant Tap Fluoride Residual: 0.49 mg/L
- Distribution Fluoride Residual: 0.46 mg/L
- Plant Tap Hardness: 165.6 mg/L
- Plant Tap Iron: 0.04 mg/L
- Plant Tap pH: 7.3

Distribution System Monitoring

Routine bacteriological sampling requirements were met during October.

- Required Routine Samples: 5
- Samples Collected: 5
- Positive Samples: 0
- Repeat Samples Required: 0

All five routine distribution samples were absent for total coliform bacteria.

Distribution Pumpage

The October MOR also tracks water delivered to the Village's two pressure districts:

- Southwest High-Pressure District: 3.489 million gallons
- Low-Pressure District: 13.454 million gallons

This additional monitoring helps staff evaluate water demand and system operation across the Village's two pressure districts.

Sewer System Operations

Sewer operations accounted for 371 hours and 19 minutes of DPW labor during this reporting period.

Staff continued routine operation and maintenance of the wastewater collection system and lift stations. Work included system monitoring, preventive maintenance, inspections, troubleshooting, and other activities necessary to maintain reliable wastewater collection throughout the Village.

Lift Station Performance - October 2026

Monthly runtime data for the Village's four monitored lift stations showed the following October activity:

- Applewood Lift Station: 1.292 million gallons
- Bedford Falls Lift Station: 0.097 million gallons
- Buth Park Lift Station: 1.506 million gallons
- River Road Pump Station: 0.072 million gallons

Combined pumpage was approximately 2.967 million gallons. Buth Park handled the largest reported volume, followed by Applewood.

Streets, Stormwater & Infrastructure

Staff logged 296 hours and 32 minutes in street, stormwater, tree, traffic, airport, and related infrastructure maintenance during the reporting period.

Activities included:

- Storm drains and catch basin maintenance
- Major and local storm drainage work
- Routine local street maintenance
- Tree trimming and maintenance within Village rights-of-way
- General traffic and infrastructure maintenance

Parks & Public Spaces

Staff logged 172 hours and 6 minutes maintaining Village parks and public spaces during the reporting period.

Work included routine park maintenance, grounds care, facility upkeep, inspections, seasonal cleanup, and other maintenance activities.

Downtown (DDA) Maintenance

DPW staff provided 118 hours and 2 minutes of maintenance support within the Downtown Development Authority district.

This work included routine downtown maintenance, grounds care, cleanup, and support of public spaces within the DDA district.

Equipment & Fleet Maintenance

Staff logged 83 hours and 1 minute maintaining DPW vehicles and equipment.

Staff continue to perform preventive maintenance and repairs in-house when practical to maintain equipment reliability and reduce downtime.

Administration, Planning & Special Events

Staff logged 221 hours and 24 minutes in general DPW operations, administrative/project-related work, and other unassigned operational activities.

This category includes the coordination and administrative work needed to manage DPW operations, infrastructure projects, contractors, regulatory requirements, purchasing, public inquiries, inspections, and Village activities not directly charged to an individual utility or maintenance account.

Summary

During this reporting period, DPW staff completed 1,543 hours and 48 minutes of operational work across utilities, streets, stormwater, parks, downtown, equipment, and administrative functions. In October, the Water Treatment Plant produced 13.111 million gallons of finished drinking water and met all routine bacteriological sampling requirements. The four lift stations handled a combined 2.967 million gallons.

ACTION MEMO
Staff Communication

DATE:	**November 17, 2026**
TO:	**Village President Whalen and Members of Council**
	Jim Lower, Village Manager
	William Hunter, Director of Public Works
FROM:	**Conrad Bowman, Wastewater Superintendent**
RE:	**Wastewater Treatment Plant - Update**

Summary:

The following report is an overview of operations at the Village of Sparta WWTP

October 2026 Flow Data

Wastewater Treatment Plant flow:

- 16.111 Million gallons treated for the month
- 0.816 Million gallons maximum daily flow
- 0.520 Million gallons per day average flow

Algoma Township flow:

- 1,166,044 gallons treated for the month
- 48,662 gallons maximum daily flow
- 37,614 gallons per day average flow

Significant Events/Emergency Callouts:

There were no violations for the month of October.

- We are continuing to write SOPs, perform preventive maintenance, and do housekeeping.
- We are continuing to update our laboratory QA/QC program. This has involved re-writing outdated approved methods and SOP's, running duplicates, spikes, reference samples, and inter-lab splits.
- We are continuing to update our laboratory chemical inventory and SDS program.
- Staff have been cross-training at the water plant and DPW garage.
- Continued cataloging our assets for an asset management program to improve maintenance schedules.
- Working with Fleis and Vandenbrink and contractors on plant construction and scheduling.
- Investigating dye discharges coming into the plant from around the collection system.
- Continuing work with Old Orchard and investigating higher BOD discharges.
- Continuing to jet our primary clarifier sludge line as needed.
- Continuing to work with DPW to jet our splitter box going into Final Clarifiers 3 and 4 due to plugging.
- Continuing to diagnose filamentous bacteria problems causing poor settling.
- Continuing to work through and maintain plugging TRVs and gate valves throughout the plant.
- Influent sampler control board lost its calibration. This caused issues with flow readings and flow-based sampling. The board got sent back to the manufacturer to update settings.
- DMR-QA Study 46 began on 10/13.
- EGLE NPDES Facility Inspection on 10/13.
- Dan's Excavating vactored and filled in the driveway sinkhole with gravel on 10/14. This is a temporary fix until the drive and sewer lines are excavated for replacement.
- The main diesel generator had an over-excitation fault on 11/4. Wolverine was out and found a loose wire.
- Biotech started hauling biosolids on 11/5. Completed hauling on 11/12.
- October DMR submitted to EGLE on 11/9.
- Another round of Non-Domestic User Surveys were mailed on 11/9.

Construction Updates

- Dean's Excavating started digging trench for main electric service feed from the main switch down to the new Process Control Building. We sent off lab to Prein & Newhoff 10/16 due to disruptions in the lab.
- Dean's tied in new water service to the new Process Control Building off an existing water line. Windemuller also ran conduit for communication at the same time.
- New pump discharge piping and sanitary drains were run from the Process Control Building, Thickener Building, and new Storage Tank.
- Dean's started excavating for yard piping.
- Windemuller got the new Process Control Building generator and transformer set in place.
- Two leaking valves were replaced in between the Thickener Building and Digester 1.
- Drywall in new Process Control Building is complete. They are waiting on temporary heat to finish.
- UV grating is complete.
- FHC has Clarifiers 1 and 2 nearly complete.

- **Final Clarifier #2**

- **UV Canopy**

- **UV Grating**

department. This has been spurred from the Development Plan discussions that have taken place.

4. Ice Skating rink preliminary maintenance planning is underway with a launch date of November 20 to coincide with Shop Sparta!
5. Sparta TODAY November & December Newspaper has been pulled together and is on its way to print!
6. Sparta Community Foundation Grant Requests and Award notices came out and we were excited to learn we were awarded a $7500 grant for Sparta Bucks Promotions, $4,000 for Hay Bale Contest in 2027 and $4,000 for I Love Summer in 2027! We also secured the Sports Park a $7,400 grant for a new commercial refrigerator for the concession stand.

7. The haybale contest switched the voting procedure for the first time, and instead of Facebook "likes", voting was done by dollars – each dollar counted as a vote toward a haybale. Over $2400 was
8. Sip & Shop Cider Stroll were a great hit in mid-October focused on shopping and spending money in Sparta. Commerce based events are more focused on spending than the bulk of people roaming around, so if we see registers ringing, that is the sign of a very successful event. The upcoming Doe Days and Around the World are next up in the series and we are working with any businesses who would be interested in participating. The Around The World event will be featuring businesses to adopt a country of their choice, and Sparta Chamber will act as the Airport. The public can gather stamps on the passport they can pick up at the Chamber /Airport to collect the stamps!
9. Sparta had its first on site 3rd party hosted public event in Town Square, where our team simply assisted with their planning logistics, made recommendations or connections, and provided basic amenities such as cones and tables, but didn't staff the event. It went over really well and they really enjoyed the downtown space! This is the first time we hope to partner with other organizations to utilize the downtown area to bring people to the area to enjoy Sparta!
10. The Development and TIF plan went through a final revision and is now ready to mail out the document to the taxing jurisdictions and mail out notice to the DDA Parcels. The Public Hearing will be scheduled for mid 2027 at the Village council Meeting. There will be also a formal time scheduled at the November and December DDA meetings for feedback of the Development Plan, these also are the public meetings that we host annually. Invitation to businesses via mail as is required and twice in the newspaper.

Sparta Police Department

MONTHLY REPORT
October 2026

Crime Report Information:

The “incident Description Count Report” for October 2026 is attached.

Incidents of interest

Officers Wynbeek and Sietsema had a subject on a traffic stop that was uncooperative and would not respond to commands, so he was arrested, charged and taken to jail.

Traffic

The “Ticket Offense Report” for October 2026 is attached.

Parking Citations for October

One (1)

Department Issues

Sgt. Price has been up grading the surveillance systems around the Village and the Sparta Airport. The up grades are a great help to protect several areas of the Village.

We have received new in car video systems, and they have been installed in each cruiser. We have also received new body cameras and a virtual reality use of force training system.
