

SITE PLAN REVIEW PROCESS

*Site plan approval needed, prior to building permit application.

Step 1

- Review entirety of Article V. - *Site Plan Review* in the Village of Sparta Code of Ordinances
- Available at www.spartami.org

Step 2

- Preliminary consultation meeting with Village Manager (optional)
- No fee charged

Step 3

- Submit **preliminary** site plan to the village office to be reviewed by the Village Manager, Village Engineer, Fire, Police, and Utility Department staff
- No fee charged
- **REVIEW TIMELINE: Approximately 1-2 weeks after submittal**

Step 4

- Applicant is provided feedback on **preliminary** site plan
- Applicant should incorporate feedback from preliminary review into final document submitted to the village

Step 5

- Submit site plan review application and necessary documentation, 15 hard copies of proposed plan, and payment of fees to the village office
- **TIMELINE: Submit approximately 21 days prior to the next scheduled planning commission meeting (\$20.00 + fees incurred)**

Step 6

- Application is reviewed by the Village Manager, Village Engineer, Fire, Police, and Utility Department staff.
- Additional revisions may be requested if necessary
- **TIMELINE: Approximately 1 week after receiving preliminary review**

Step 7

- Final Plans are submitted for planning commission review
- Additional information may again be requested if necessary
- **TIMELINE: Planning Commission reviews site plan at next Planning Commission Meeting**

Step 8

- Approved:** Official letter sent to applicant listing approval conditions
- Denied:** Official denial letter sent to applicant
- **TIMELINE: Approximately 1-2 weeks after Planning Commission Meeting**

Any questions about this process should be directed to Shay P. Gallagher, Village Manager at VillageManager@SpartaMI.org .

***Timelines notes above are approximate and depend upon circumstances of application, response time of applicant, and application submission date. A complete application must be received at least 21 business days before meeting to be placed on the next available agenda.*
